# Peach Girl

Just when Momo thinks everything's peachy, a wrench is thrown into the works. Momo has just been through the worst night of her life—not only did Sae ruin her special night with Toji, but the scheming backstabber set her up with Goro "The Gigolo" for a one-night stand against her will. What really happened? Will Toji ever forgive her and, more importantly, will Momo ever be able to forgive herself?

**MOMO vs SAE:**
**Death match, Part 2**

When Toji, the guy Momo has adored since junior high, admitted his love for her, everything seemed perfect. But Sae, who covets everything Momo has, spread a rumor that Momo was dating Kiley, and tried to wreck things with Toji. Kiley intervened to clear up the misunderstanding, and the couple happily resumed dating. Then, Sae started dating a supermodel named Goro, and her confidence was restored. However, Sae was just stringing Goro along so that she could use him to resume her plot to steal Toji. During Momo's birthday party at Toji's house, Sae drugged Momo and sent her off to a hotel with Goro. As the story begins, it appears Momo has had her virginity stolen!

Everything you need to know

**MOMO ADACHI:** Currently dating Toji. Has she lost her virginity to GORO?

**SAE KASHIWAGI:** Loser in Round 1. Vows to steal Toji anyway.

**TOJI TOJIKAMORI:** He once kissed Sae, but he's in love with Momo now.

**GORO:** The male supermodel who declared his love to Sae. Did he really deflower Momo?

**KILEY OKAYASU:** He knows Momo better than anyone. When it's time to take Sae down, Kiley's the man!

...but guys are dense and never rea ze stuff l.ke that!

.. hate g r s ke Sae, but

My own feelings regard ng Peach G.rl are that

Ser ous y. n my case, nad tn s g rl rea ly ked when was in middle schoo

She was pretty popu ar.

Played by Sae

Mostly, guys nave no idea what is go ng on with tne comp icated relat onships between groups of girls.

Yean, d dn't ke her either.

Wha -?

You know, she was pretty wel hated by the rest of us g r s.

WHAT!?!

She sa d to me.

To , you ked Sae, d dn't you?

After graduation th s other g rl came up to me.

I rep ed

So please, adies, let's g ve Toj. another cnance!

Guys are tru y c ueless about what goes on between g rls, especia y at pubertY.

Even the girl who thought she was great friends with didn't ke her

This t me, we've got a letter from a one in a-m ll on k nd of guy.

If you feel bad because you haven't gotten a response to your letter, it's possible that you didn't tell us where to find you.

We're st l here working on these extra pages.

I've been writing responses to the fan letters, but unfortunately, a lot of you didn't include a return address.

More on your not-so-friendly neighborhood Saes!

Part 5!!

So this time around, I'm taking up a pen so that I can tel you my own thoughts about your manga

Actually, before you read my letter, p ease read the one my litt e s ster wrote. (I've enc osed t here)

Greetings. I'm the b g brother of a Peach Girl fan

Big brother played by Toj

Little sister played by Kiley!?!

Huh?

We , one day I was pok ng around n my sister's room, and came across an enve ope addressed to "M ss M wa Ueda"

You may ask, "Why is someone's older brother writ ng in?"

Of course, had to read it.

Miss Miwa Ueda

And, a so because tn nk my s ster's letter contrad cts itse f

So don't you basically end up do ng exact y what Sae d d?

My sister wrote, "Sae s rea y p ss ng me off!"

But at the same time, at the end of the letter she says, "You should do whatever is necessary to get a guy," right?

However, when I thought about the Sae problem, I felt bad and didn't buy them

They were really interesting, so I decided to buy my own copies.

I read Peach Girl 1, 2 and 3 when a friend lent them to me.

Last but not least, we've got this letter here.

**Argh!** Seriously, what should I do? I'm in such a horrible pinch

But I really, really don't want to be like Sae.

But I wanted them so badly, so what should I do?

Maybe if I copied my friend and bought the books, I'd end up being like Sae!

If you are, then buy the books in secret! (laugh)

It's not so much copying itself as the bad attitude and bad manners of copycats that we resent. You're not someone who believes unequivocably that copying a friend is ever right?

Also, if you're worrying so much about this, and how your friend would feel, then you're definitely not like Sae. It's okay!

You're the opposite! A really caring friend ♥

But I certainly did talk about copying a lot in Volume 5.

This is something we should be careful to not mix up.

If you're grateful to your friend for showing you such a fun series, then don't hold back, and go ahead and buy the manga

That said, I see you in volume 7!

"Copying" is kind of a bad word, but the important thing is the motive for you imitating your friend

I'm particularly grateful for that of course, since I'm a manga author ♥♥

It's definitely okay to buy your own copies of manga that you like

I'm always buying books that people recommend to me. So don't worry or feel bad!

PS. Good luck with finishing the manga. I'm cheering you on

Congratulations on winning that award. Heard about it.

Please give this bad older brother another chance too

(What'll I do if she finds out? (laugh))

Incidentally, my sister has no idea that I snuck this letter in along with hers.

This actually makes sense. I've heard a couple of stories like this now. It looks like boys really are indifferent to whether or not popular girls are actually well liked

So, boys. What do you really think about girls who are disliked by their fellow ad es?

Don't you think he's a pretty good brother?

Little sister don't be too hard on your big bro.

If you get found out I'm really sorry

I always wanted a nice older brother

I'm sorry that I ended up using your letter, big brother! I took away some of the details to keep from giving you away

I'll help her out

Everybody has their flaws.

So long as she's cute

Whatever's fine

It's not like we're getting married or anything

I like what I like

These kinds of people are rare

Letters with "boyfriend/brother opinions" are okay

I'm waiting eagerly

So gentlemen, please send lots of letters!

I really want to hear more from other male Peach Girl readers (are you out there?).
